## What's next?

We are so glad you have worshipped with us today! You are truly welcome here. We invite you to be on a journey with us.

The first step is **Believing**. We believe that Jesus Christ is the Son of God and that He is the key to having a life-changing relationship with God. If you would like more information about how to have a relationship with Jesus, indicate that on the tear-off card to the right. We would love to talk with you about this!

The next step is **Belonging**. God not only wants you to have a relationship with Him, but He also wants you to belong to the His family. The church is God's family. You can indicate a desire to join this church family on the tear-off card to the right. We'll contact you with everything you need to know.

God is not satisfied that we remain just as we are now. He wants us to mature in our faith — to become the person He created us to be.

This is the **Becoming** step. Get involved in opportunities here to learn more about God and His plan for you. Let us know and we'll get the information to you!

God bless you as you  
**believe... belong... become!**
